Step 2: Create your Profile

After signing up you will be taken to a page where you will find a 'Get started' link which you will need to click.

You will then be asked what you are raising the money for. Proceed by clicking the 'A charity' option.

A screenshot of the 'Complete your profile' form. It has a title 'Complete your profile' at the top. Below is a 'Country' dropdown menu with 'United Kingdom' selected. Underneath is a 'Postcode *' field with a search icon and a blue button labeled 'Continue'. A blue oval highlights the text 'I'd like to fill in my address manually' which is positioned over the search icon.

At this point, you will be prompted to complete your profile by entering your address. To do so, just type in your postcode and hit the search button. A list of addresses within that postcode should then come up. Find and select yours and then press continue. Alternatively, you may prefer to fill in your address manually by clicking the option to do so.

Step 3: Choose your Charity

You will next be requested to search for the cause you want to support. Type in 'Freedom from Torture' and then click 'Search'.
