

How to...

Host an online dance party

FREEDOM FROM TORTURE
EMPOWERING SURVIVORS. REBUILDING LIVES.

step 1 Set a date and time

For the best response, hold it on a day and at a time you know your friends and family could be free. If you're including children don't forget to host it at a good time for them and to make your playlist child-friendly.

step 2 Choose an online platform to host your party

Choose from a variety of platforms including **Zoom**, **Houseparty**, **Skype**, **Twitch** or **Whereby** to host your party.

Sign up for an account and schedule your event. Don't forget to test the platform first so you know how it works ahead of the night to avoid any unexpected problems.

step 3 Set up an online fundraising page to collect donations

Pick from **JustGiving** or **Virgin Money Giving** to collect donations and entry fees for the event. It's also an easy way to check off participants for your event from the list of who has paid. Click on the logos on the right for instructions on how to set up a donation page.

step 4 Decide an entry fee or suggested donation

Set a fair entry fee to participate in the party. Too expensive and it might put people off.

step 5 Create your playlist and ask for requests

If you fancy trying your hand at hosting give it a go, otherwise nominate someone to handle the playlist and requests.

step 6 Spread the word and invite people to participate

Get on Facebook, Twitter, Instagram, text or call your friends, family and colleagues. Get the word out that you're hosting a quiz for charity, when and how it's taking place and get the donations and entry fees coming in.

step 7 Host a great party!
