Decide which film or series to watch
This can be through a poll where everyone taking part votes for their choice, or a turn system where each participant picks or hosts their choice. Make sure everyone knows what they’re watching ahead of the event though so children can join in if appropriate.

Choose a way to host your film night
Choose from a variety of platforms including Zoom, Twitch, Netflix Party or Skype to host your watch-along, depending on how you want participants to join. Sign up for an account and schedule your event. Don’t forget to test the platform first so you know how it works ahead of the night to avoid any unexpected problems.

Set a date and time
For the best response, hold it on a day and at a time you know your friends and family could be free. Remember to keep your film/series choice family friendly if children will be watching in the day time!

Set up an online fundraising page to collect donations
Pick from JustGiving or Virgin Money Giving to collect donations and entry fees for the event. It’s also an easy way to check off participants for your event from the list of who has paid. Click on the logos on the right for instructions on how to set up a donation page.

Decide an entry fee or suggested donation
Set a fair entry fee to participate in the watch-a-long. Too expensive and it might put people off.

Spread the word and invite people to participate
Get on Facebook, Twitter, Instagram, text or call your friends, family and colleagues. Get the word out that you’re hosting a quiz for charity, when and how it’s taking place and get the donations and entry fees coming in.

Host a great watch-along!
